# About

APOGEE is impeccably maintained and refreshed on an annual basis to keep her looking and operating at the highest standards. Up to 12 guests can be accommodated in 7 elegantly appointed staterooms with large en suite bathrooms, allowing for great flexibility of guest sleeping arrangements. With 17 crew, she has an excellent crew to guest ratio to ensure first class service. A large elevator connects all decks, zero-speed stabilizers keep roll to a minimum and there is an outstanding selection of tenders, water-sports toys and equipment to ensure maximum guest comfort and enjoyment whilst aboard.

Not only is APOGEE sophisticated and luxurious, but she truly is an entertainer's yacht. From the massive outdoor deck areas (far larger than many of her competitors) with chaise longues that have built in speakers, to the 12-person Jacuzzi and numerous sunbathing areas, to the 22ft long backlit onyx topped bar (modelled after Monaco's Cafe de Paris and Miami's Delano Hotel) with a dance pole & 60" flat screen television, the dance floor with a Wurlitzer jukebox, karaoke machine and other entertainment areas, she has it all. At sunset, the expansive sundeck converts into an outdoor nightclub "Club Apogee", with a hip vibe to it. For the more energetic, there is the impressive air-conditioned gym on the top deck, with panoramic views.
