About

The elegant Elena was lovingly and meticulously built in 2009 to the original designs of the racing schooner of the same name that participated in record-breaking style in the 1928 King's Cup Trans-Atlantic Race from New York to Santander.

Using the original 1910 drawings by designer Nathaniel G Herreshoff, Factoria Naval de Marin has resurrected this new 55m ultra-luxurious Elena; featuring modern comforts whilst maintaining the classical ornate interiors reminiscent of a period country home.

Elena can accommodate 10 guests in private en-suite staterooms and has 8 highly experienced crew members who provide the upmost service as well as the ultimate sailing experience. She is an exciting choice for the sailing fanatic.

She has an expansive deck, perfect for relaxing or entertaining.
