## About

One of the most striking aspects of Lady Britt is the choice for six large guest suites on the lower deck in order to accommodate family and friends in comfort and style. Two of the suites can be converted into a full-width VIP stateroom.

The owners have chosen a luxury New York apartment feel for their stateroom, complete with separate bathrooms and dressing rooms; enhanced with a private study. Meanwhile, the overall arrangement makes Lady Britt an excellent vessel for charter with a dedicated wellness spa, a separate panoramic gymnasium, an outdoor cinema and an authentic Finnish sauna with its own private access to the ocean. All these facilities complement the very spacious external guest areas.

The yacht interior is in a chic, modern, Scandinavian style with a stunning blend of marble surfaces, teak and macassar ebony furniture and rosewood flooring.
