About

The 170.60ft /52m Custom motor yacht 'PEGASUS' was built in 1995 by the world renowned Dutch yard Feadship, she underwent a complete refurbishment in 2009, and now rivals some of the newest vessels on the water. This luxury vessel's sophisticated exterior design and engineering are the work of De Voogt.

Three spacious decks of exceptional elegance are complimented by a "Beach Club" with a pontoon on the cabin deck where guests can relax just inches away from the water. Abundant outdoor lounging areas allow guests to drink-in the full beauty of the ocean from the pampered comfort of the yacht.

Pegasus's interior layout sleeps up to 12 guests in 6 staterooms, including a master suite, 2 double cabins and 3 twin cabins. She is also capable of carrying up to 12 crew onboard to ensure a relaxed luxury yacht experience.
