About

The legendary classic 80.2m motor yacht Talitha G epitomises sheer elegance and style.

Launched in 1929, she was completely rebuilt in 1993 at Devonport under the design of Jon Bannenberg and underwent a complete refit in 2000. The yacht's interior has the look and feel of a relaxed and slightly bohemian stately home, impeccable to the finest detail.

Original features such as open fireplaces and inlaid marquetry have been retained and at the same time every contemporary luxury has been thought of including a Jacuzzi on the top deck and up to the minute entertainment system.
